

BIKASH YADAV

3rd year (6th semester) student of Agricultural Engineering

Phone:
6000513919

Email:
bikashy579@gmail.com

Address:
Pin Code- 788009, Cachar, Assam, India

Profile Introduction

A dedicated and motivated third-year engineering student with practical training in tractor farming, tillage operations, drone technology, internal combustion (I.C.) engines, irrigation pumps, and plant protection equipment. Experienced in utilizing modern agricultural technologies to enhance productivity and efficiency in farming operations. As well as I also interested in dairy technology and food processing. Skilled in C programming, with a focus on improving system operations and automation.

Key Skills & Certification

- ✦ Introduction to MATLAB & Simulink
- ✦ Embedded for Beginners
- ✦ Python for Begginers
- ✦ Micropython Primer
- ✦ Microsoft Office Word
- ✦ Microsoft PowerPoint
- ✦ Communication Skills
- ✦ C programming language

Education

Bachelor of Technology in Agricultural engineering

Triguna Sen School of Technology, Assam University, Silchar,
(a central university established by an act of parliament)

November 2022-July 2026

SGPA-6.50

INTERMEDIATE

Holy Cross H.S. School
Board Of Secondary Education, Assam

April 2020-March 2022

Result-81.40%

SECONDARY SCHOOL or Matriculation

Barak Valley Secondary school
Assam Higher Secondary Education Council

April 2018-March 2020

Result-65.00%

INTERNSHIPS

Training at Southern Region Farm Machinery Training & Testing Institute, Anantapur, Andhra Pradesh.

3rd June 2024 – 28 June 2024

I was imparted training on:

- Study, selection, Operation, Maintenance, Trouble shooting, & Repair of Tractor and Agriculture Implements, I.C Engine, Irrigation Pumps & Plant Protection Equipment etc.
- Operation of different tractor operated and self-propelled agricultural Machinery on the farm.

LANGUAGES:

- English
- Hindi

HOBBIE:

Book Reading, Sports and gyming
